How Bill Gates functions as a true world dictator

Il Gates dictates the world's healthcare, manipulates the news media, infiltrates the food industry, bribes governments, pushes weather manipulation, promotes GMO industry, develops surveillance technologies, calls for digital ID, and a whole lot more. Meet the man who thinks he is God, and who acts like he is the devil.

✓ **FACT CHECKED:** CLICK THE  FOR SOURCES

WORLD VACCINATOR

Bill Gates has *zero* medical education, yet he was declared as the leader of the global vaccine plan 2012-2020 at the World Health Assembly. Let this sink in: *a man without any kind of medical training is in charge of vaccinating all of humanity.* The goal is to create a world where people can only participate in society, if they receive ongoing injections, several times a year.  

WORLD DICTATOR

Gates is the main financial donor to the World Health Organization, which gives him full control over this organization. Bill Gates personally positioned WHO director Tedros, who was formerly a militant communist terrorist in Ethiopia. The WHO issued the "Pandemic Treaty" which gives them totalitarian control over every nation of the world, every time they declare a pandemic. If we understand that the WHO is essentially controlled by Bill Gates, we know that pandemics basically position Gates as a world dictator.

WORLD DECEIVER

The WHO can declare a pandemic at will, using any fraudulent diagnostic tool of their own choosing. They for example chose to use the totally flawed PCR test that produces up to 94% false positives, making it the perfect tool to declare a "pandemic" based on inaccurate testing results. This way they can become a form of one world government at will.

PANDEMIC MASTER

Bill Gates is always the one man organizing "pandemic exercises" right before *the exact scenario they planned for, becomes reality*. Isn't it interesting that the man who effectively becomes a type of world dictator during a pandemic, is the same person always "preparing" the world for these pandemics?

GOVERNMENT BRIBER

Bill Gates bribes governments around the world, in order to control them. This is the way he effectively influences government policy around the world. This was exposed in the Italian parliament by politician Sara Cunial, who revealed that Gates controls the Italian president. It was also stated by members of the Nigerian parliament, who said Gates offered 10 million dollars to impose vaccine mandates on the Nigerian population. Gates denied this, but did commit to paying 79 million dollars to "help" Nigeria, after which Nigeria became the first country in the world to bar unvaccinated people from accessing banking services. 🗨️ 🗨️ 🗨️

BOSS OF ALL DOCTORS

Bill Gates tells all physicians, nurses and health practitioners all over the world what they can, and cannot do during a pandemic, while he himself doesn't have any kind of medical training. 🗨️

A man who has no medical education whatsoever, never treated a patient, and who knows nothing about medical care, has

been appointed as the
world's leading "health"
authority, who dictates to
millions of medical
professionals what they
can, and cannot do.

FOOD MANIPULATOR

Bill Gates Gates wields powerful influence over global food and agriculture policy through his funding of a large number of organizations involved in agricultural development, and policy making. 🌀

NEWS DIRECTOR

Bill Gates "donates" hundreds of millions of dollars to news agencies, which gives him control over what they are allowed to broadcast. This way he can directly manipulate the news worldwide. 🌀

SCHOOL INFILTRATOR

Bill Gates finances publishers of school curriculums that teach little children to masturbate, have homosexual relationships and learn about oral sex. 🌀

HEALTH CONTROLLER

Bill Gates “donates” billions of dollars to health organizations worldwide, giving him the power to influence their decisions. 

FATHER OF FAKE MEAT

Bill Gates is building labs where synthetic meat will be grown to feed humanity, instead of natural grass-fed beef. 

MASTER OF GMO

Bill Gates is buying hundreds of thousands of acres of farmland, making him the largest farmland owner in America. He is growing genetically modified, heavily sprayed plant protein to replace the natural grass-fed beef industry.

VACCINATE HUMANITY THROUGH MOSQUITOES

Bill Gates genetically engineers millions of mosquitoes, supposedly to eradicate malaria, but in reality the agenda is to use them to vaccinate humanity.

24/7 VIDEO SURVEILLANCE OF THE WORLD

Bill Gates was involved in EarthNow, a plan to deploy a “constellation” of advanced imaging satellites, which will provide real-time, continuous video of almost anywhere on Earth. In other words: non stop video surveillance of the entire world. 

BLOCKING OUT THE SUN

Bill Gates is working on a plan to block out the sunlight from the earth. The excuse for putting the world in the chilling shade is "climate change" which has proven to be a complete hoax.  

DIGITAL ID FOR EVERYONE

Bill Gates is pushing the world towards digital ID's, which will give financial tyrannical elites greater control over people. Digital IDs will become necessary to function in a connected digital world.  

BILL GATES - The Banned Video

This revealing documentary was removed from the internet, nowhere to be found. Censorship seemed to have destroyed it entirely... until it suddenly resurfaced in 2021! Immediately it went viral and is now present on all the free speech platforms.

THE BILL GATES AGENDA

From the makers of the world's most viewed documentary [PLANDEMIC](#) comes an equally impressive short documentary about Bill Gates. According to legend Bill Gates built his computer empire out of his garage. Reality tells another story: Bill Gates stole inventions from others, lied and cheated, and took all the credit.... plus of course the billions of dollars.

HIDDEN PUPPET MASTERS

Although Bill Gates functions as a type of world dictator, it is critical to mention that in reality he is nothing but a puppet of higher powers, who use him for the eye of the public. As you can see in our

[World Domination](#) report, the true entities who rule the world are obscured financial interest groups: ancient bloodlines, royal families, wealthy industrials, powerful bankers, and so on.

Many books have been written about these entities. There is for example the classic work "Bloodlines of the Illuminati" by Fritz Springmeier, which was released as a PDF download by the CIA. And there is "The 13 Satanic Bloodlines" by journalist Robin de Ruiter.

The 13 satanic bloodlines described by Springmeier and De Ruiter are Astor, Bundy, Collins, DuPont, Freeman, Kennedy, Li, Onassis, Rockefeller, Rothschild, Russell, Van Duyn, and Merovingian. Four other prominent illuminati bloodlines are Disney, Reynolds, McDonald, and Krupps. Besides these, there are also royal dynasties like the House of Saud (Saudi Arabia), the House of Orsini (Italy), the House of Nassau-Orange (Netherlands), House of Habsburg (Austria), House of Windsor (UK), House of Schwarzenberg (Germany), House

of Glucksberg (Germany), House of Oldenburg (Germany, Denmark), and so on.

The totality of these entities is generally referred to as the "Illuminati" or the "[Cabal](#)".

The documentary [MONOPOLY](#) shows how investment corporations like Vanguard and BlackRock own virtually everything on earth, giving them a worldwide monopoly. These corporations are in the hands of the aforementioned families.

The [Grand Jury Evidence](#) further explains how these families use sovereign states like Vatican City State, the Bank of International Settlements, the District of Columbia, and the City of London to shield themselves from national laws, so they can operate unchecked.

People like Bill Gates, Klaus Schwab, George Soros, Anthony Fauci, and other visible personalities are mere puppets, dancing to the tune of the hidden puppet masters, who in turn are also puppets in the hands of even higher puppet masters. The same goes for organizations like the United Nations, the World Health Organization, the World Economic Forum, the European Union, which are all platforms for these criminal

oligarchs to execute their evil agenda.

Historically the top of the cabal goes back to ancient Khazaria (currently Ukraine), which has roots in ancient Babylon, where black magic was at the heart of the culture. Nothing we see today is new, as it all leads back to the dawn of time, where ancient entities chose to either serve good or evil. The earth is a battlefield, and humanity is the prize.

The families of the cabal serve the realm of evil, in return for astronomical power and wealth. Although they have the illusion of being powerful, these wealthy "rulers" are essentially slaves of spiritual entities who use them to execute their agenda of submitting humanity to the rule of evil. They are behind the worldwide mind control operation to steer humanity away from our loving and good Creator, through Darwinism, and atheism. They also push genetic manipulation, and transhumanism in order to alter the original creation. The good news is that the era of the cabal is coming to an end, and the truth is breaking through to humanity as never before.

OTHER

DIMENSIONS

I personally learned from several individuals who were part of this worldwide system of intense evil, and who came out of it, that the highest level of the cabal or illuminati is not human. These high level whistleblowers from the cabal don't know each other, yet they shared the exact same information with me. I will not go into detail about this, as it would freak most readers out too much, but let it suffice that at the highest level humanity's enemies are from other dimensions than the physical realm. Yet they need our energy to thrive, that's why they prey on humans.

The answer to this intense evil is to make up our own mind whom we will serve: will we play their game of rebellion, perversion, dishonesty, selfishness, pride, and corruption? Will we keep consuming their dark poisonous entertainment, food, music, tech, and medicine? Will we keep listening to their dark lies about our Creator, our life, and our destiny?

**Or will we make a choice to
return to the Giver of all that is
good?**

We cannot fight these forces of deep darkness in our own human

weakness, and ignorance. We need help from the One who is greater than all, but who has been rejected by most, because the pleasures of the dark realm enticed many, and their lies deceived the rest.

It is time to make up our own mind what dimension we will serve. Those that corrupt, pervert, twist, abuse, manipulate, and destroy everything, and bind us to thick chains of addiction, sickness, wickedness, and deception? Or the One who is pure love, truth, goodness, and who wants to restore our world to become a paradise, as it was originally intended?

The choice is ours...
